

SHOPCRAFT MEN VOTE AGAINST STRIKE

CAMPAIGN WILL
BE TRANSFERRED
TO THE COUNTRY

School House Meetings to be
Held Both by Independents
and Nonpartisans

INDEPENDENTS MEET HERE

Lemke to be Headliner for
League in Bismarck; Preus
For Independents

The recall campaign in Burleigh
county is to be featured by school
house meetings, with two big meet-
ings scheduled for Bismarck.

Independents held a meeting last
night in the Grand Pacific hotel to lay
plans for the speaking campaign to be
held next week in the county. The
league speakers already have been out
in the county holding school house
meetings. They have been holding
three meetings a night.

No Independent speaking meetings
have been held in the county. Ac-
cording to the plan announced fol-
lowing last night's meeting there will
be 20 meetings held on Monday, Tues-
day, Wednesday and Thursday nights.
There will be five teams of speakers.
Speakers will be Messrs. Burke and
Jones, Cameron and O'Hare; Koffel
and Davies; Harrington and Victor
Anderson; W. E. Runey and McCurdy.
Some of the dates for Independent
meetings announced are: Wing, Oct.
27; Regan, Oct. 27; McKenzie, Oct.
28; Arena, Oct. 27; Sterling, Oct. 25;
Moffitt, Oct. 26.

The meeting of the Independent
workers of the county was presided
over by H. P. Goddard.

Borglum Delayed.
Gutzon Borglum, New York scul-
ptor, was to speak in Bismarck ton-
ight, but will not get into the state until
next week. William Lemke, attorney
general, will speak in Bismarck on
the night of October 26. He probably
will speak from the balcony of the
McKenzie hotel, and leaguers will en-
deavor to make this his big meeting
in the county in their campaign.

Governor J. A. O. Preus, of Minne-
sota, is to speak in Bismarck, Thurs-
day, Oct. 27, at the auditorium for the
Independents.

Registration day in Bismarck
brought out some new registrations in
all precincts. In each precinct there
were from 7 to 50 added to the books
on the two registration days. How-
ever, it is not known how many in
those precincts have moved out since
the last election, so that it is impos-
sible for the precinct inspectors to
make a guess as to how much of an
increase, if any, there will be in the
vote.

TREES BROKEN
BY HIGH WIND

Several on State Capitol Grounds
Are Damaged

A 48-mile gale which swept over
the city yesterday afternoon blew down
a number of trees on the state capitol
grounds. Several cottonwoods were
broken off squarely, and limbs of
many trees were carried several feet.
Little damage was done in the city,
however. Light globes at the corner
of Broadway and Third street were
broken and there were reports of a
few windows being broken in.

The wind grew in intensity during
the afternoon, reaching a 48-mile-an-
hour rate about 4 o'clock, according
to the weather bureau report.

TO WITHDRAW
YANK TROOPS

Washington, Oct. 22.—The gradual
withdrawal of American troops from
Germany expected to start within two
weeks will involve a reduction of the
American forces there to about one-
half of the present strength of 13,500
officers and men.

The reduction will be accomplished
by the middle of next March.

LIQUOR WORTH
\$200,000 TAKEN

St. Louis, Oct. 22.—Eleven men were
arrested, 250,000 gallons of mash and
500 gallons of wine and whiskey were
confiscated and nine complete stills
were demolished in a series of liquor
raids in northern St. Louis county
yesterday and last night by federal
and state agents who estimated that
they destroyed more than \$200,000
worth of illicit liquor and distilling
apparatus.

TO CHURCH-GOERS ONLY.

Nottingham, Eng., Oct. 22.—Dance
tickets are distributed to the congrega-
tion of St. Catherine's church every
Sunday morning. Only those who at-
tend services are admitted to the
dancing academy instituted by the
church.

REV. HALFYARD, NEW PASTOR OF M. E.
CHURCH, FINDS CITY MUCH IMPROVED

Declares Bismarck is Perhaps
Most Attractive City of Size
in Northwest; to Outline Pro-
gram For Year in Near Fu-
ture.

Rev. S. F. Halfyard, new pastor
of McCabe Methodist Episcopal
church, moving to Bismarck to begin
his pastorate, finds the city has im-
proved remarkably since his first visit
at a conference 12 years ago.

"Bismarck is a very delightful city,"
said Rev. Halfyard. "It has improved
remarkably. I was here 12 years ago
at a conference. I notice the paving
improvements, the new business
blocks and the residential district,
which I thought was very beautiful on
my first visit, is more beautiful than
ever."

To Preach Sunday.
Rev. Halfyard will preach Sunday
both morning and evening at the Mc-
Cabe Methodist church. The subject
of his morning sermon is "Personal
Influence" and his evening sermon,
"The Greatness of Jesus."

Rev. Halfyard, his wife and 12-year-
old daughter, Winifred, have moved
into the Methodist parsonage at 497
Sixth street.

Rev. Halfyard has been prominently
identified in Methodist circles in
North Dakota for 15 years. For nine
years he was professor of theology at
Wesley college, Grand Forks; was two
years pastor at St. Thomas and comes
from Devils Lake, where he has been
pastor of the First Methodist church
for four years.

It was with regret that the Devils
Lake Methodist learned of the as-
signment of Rev. Halfyard to Bis-
marck, to succeed Dr. Quigley. Dr.
Halfyard has been interested in civic
work in Devils Lake.

Rev. Halfyard said he would meet
(Continued on Page 3)

WITNESSES IN
SUPREME COURT

High Tribunal Listens to Oral
Testimony For First Time
in Years

The supreme court today has un-
derstood the application for a writ
of habeas corpus for W. E. Vadnais,
former county official of Divide coun-
ty, who is seeking release from the
state prison.

For the first time in many years
the supreme court heard oral testi-
mony in the case. Vadnais' attorney,
William Langer, put C. N. Varnum,
father of Hiltner and Warden L. L.
Stair, members of the state parole
board on the witness stand to prove
that the board had not revoked Vadnais'
parole. It was his contention that
the only reason Vadnais was kept
in prison was because of the state-
ment of Olaf Brastelstein, state's
attorney of Divide county.

Vadnais, who had been charged with
a shortage in county funds, had been
sentenced to prison, was suspended
on the agreement that he make resti-
tution and he had been elected cashier
in a bank when the parole was re-
voked. Judge Grace did not sit in the
case.

FINISH TREATY
DETAILS SOON

Formal Notification is Given
Germany of Ratification

Washington, Oct. 22. Formal writ-
ten notification that the United States
has completed ratification of the peace
treaty with Germany and Austria has
been forwarded to Berlin and Aus-
tria and the formality of certifying to
the completion of the treaties are ex-
pected to be completed with the for-
mer enemy powers in about ten days.
A proclamation of peace, it was
indicated yesterday, would be issued
about the same time to remove all
legal technicalities which might arise
because of war laws which contain
clauses based specifically on the pre-
mutilation of such a proclamation.

CLOSE INSTITUTE

Bottineau, N. D., Oct. 22.—Teachers
of Bottineau county closed a very suc-
cessful institute here this week. The
meetings were held at the Forestry
State Normal School here, with Super-
intendent Boyd of Langdon as direc-
tor. Rural Inspector A. C. Berg, Miss
Anna Burr, County Superintendent,
and Miss Wood of the State Normal
School at Minot, were among the in-
structors.

The first session each day partici-
pated in the regular chapel exer-
cises of the Normal School, with
President Vernon L. Mangum in
charge. The Normal School also fur-
nished special music for the in-
stitute.

HIS SURPRISE BIGGER

Bradford, Eng., Oct. 22.—The mem-
bers of St. Christopher's church
thought they would surprise their vic-
ar, Rev. W. Philpott, by cleaning up
the vicarage for his return from vaca-
tion. They got the real surprise when
he brought back a bride.

REV. S. F. HALFYARD, D. D.

LEGION WANTS
A SPECIAL CAR
FROM BISMARCK

New Plan Proposed to Provide
Cheap Transportation to
National Convention

Legionnaires want a special car out
of Bismarck and Mandan to the Ameri-
can Legion convention at Kansas City
October 31-November 2.

Sixteen ex-service men in Mandan
have signed up to go. P. G. Harrington,
adjutant of the Bismarck post, was
informed today. The local post
wants to sign up 14 to 16.

With 32 men a special tourist sleep-
er can be obtained, which would be
the home of the Legion men from the
time they leave Bismarck until they
return. It would be parked at the
foot of McGee street, Kansas city,
during the convention. The sleeper
cost would be \$10, including the trip
both ways and its use during the con-
vention.

It is planned for the Mandan-Bis-
marck bunch to leave on No. 4, Oct.
29, leave St. Paul at 8:10 a. m. next
morning and arrive in Kansas City at
midnight. It is expected by state
headquarters of the Legion that a
special train will be run out of Janes,
and the car would be hooked on it.
The bunch would reach Bismarck on
return Nov. 5.

With a 1-cent-a-mile rate and the
special car plan Legionnaires can make
the trip to the national convention at
moderate expense. Legion men who
will make the trip are asked to notify
Mr. Harrington.

WHAT YOU WILL
CAST BALLOT
ON, OCT. 28

NO. 5.
Rural Credits Law.

Creates Rural Credits Board,
composed as follows: first board
composed of commissioner of agri-
culture and labor, treasurer, sec-
retary of state. Serve until legis-
lature meets. Thereafter first two
officials named and three persons,
one from each Congressional dis-
trict, to be appointed by governor.
shall compose board. Governor may
remove for cause.

Board shall select secretary, or
Rural Credits Commissioner. Salary
not over \$5,000 a year.
County treasurer, county auditor
and chairman county board of
commissioners shall constitute
board of appraisers in county in
which appraisal is made.

Board may make loans, 5 to 30
years, on amortization plan on
farm lands.

Loan shall not exceed 50 per cent
of value of land plus 25 per cent
of insured value of improvements.
No improvements shall be consid-
ered worth more than \$5,000 in
making loans; maximum loan \$500,
maximum \$10,000.

Bonds may be issued for periods
not exceeding 30 years; warrants
may be issued, if payments on
mortgages not sufficient the deficit
shall be raised by taxation.

Rural Credits Board shall take
over farm loan business of Bank
of North Dakota.

Question of constitutionality of
proposed bill has been raised.
Provides Rural Credits
Board take over farm loans of
Bank of North Dakota, but require
them to issue bonds secured by
farm loans taken over and to pay
with proceeds of those bonds back
to Bank of North Dakota. Gives
authority to capital to make loans.

Permits issuance of warrants
and bonds exceeding in amount
total cash on hand in banks and
mortgages, while present constitu-
tion and proposed constitutional
amendment does not permit issuance
of such bonds unless they are
secured by equal amount of first
mortgages. Held invalid in this
respect.

Provides for issuance of bonds
signed by governor, commissioner,
and secretary-treasurer of Rural
Credits Board. Present constitu-
tion and proposed constitutional
amendment requires bonds
signed by governor, treasurer and
secretary of state. That constitu-
tional in this respect.

COMMERCE BODY
MAKES SWEEPING
ORDER TO ROADS

Sixteen Per Cent Cut on Grain
Products and Hay in West-
ern Territory

TO BENEFIT NORTHWEST

One-half of Previous Increase is
Wiped Out; Prompt Action
Demanded

Washington, Oct. 22.—In a
sweeping decision involving the
entire railroad situation, wage
scales, depression in industry
and finance, the Interstate Com-
merce Commission today ordered
the freight rates on grain, grain
products and hay throughout the
western half of the United States
reduced by an average of approx-
imately 16 per cent.

Notice was given the carriers that
the commission expected the reduc-
tion to be put into effect immedi-
ately and by Nov. 20 at the latest, and that
the low state of railroad earnings,
which led to the increases in 1920,
should hereafter be rectified by re-
ductions in wages and prices and that
a downward tendency should be set
for their rates.

The decision removes from wheat
and hay one-half of the increase giv-
en the railroads in 1920 and on all
other grains fixes the rate at 10 per
cent less than those on wheat. The
commission further ordered a new re-
lationship built up in the rates on
grain products, including flour and
other commodities to agree with the
lower level on the raw material.

RATE CUT WILL AID

WESTERN NORTH DAKOTA

The freight rate cut ordered on
grain, hay and grain products will aid
western North Dakota more than
any other part of the country, accord-
ing to a railroad agent today. He pointed
out that many farmers in the western part
of the state had held grain, particu-
larly northwest of Bismarck, where
there was a fair crop, and that the
lowered freight rates probably would
cause them to market it. The recent
cut in livestock rates, he pointed out,
resulted in the shipment of a great
deal of stock, and consequently liqui-
dation by many stockmen and farmers
of the western part of the state.

APPROVE FUNDING BILL

Washington, Oct. 22. The adminis-
tration bill for funding \$50,000,000 of
railroad debts was reported favorably
today by the senate Interstate Com-
merce committee with amendments by
Senator Cummins, Republican, Iowa,
chairman, broadening the financing
operations.

SENTENCED ON
LIQUOR CHARGE

Jail Sentence of 90 Days and Fine
Suspended

Elmer Johnson, arrested sometime
ago for the operation of a liquor still
near Wilton, has received a suspended
sentence of 90 days in jail and \$200
fine from Judge Nussle yesterday after-
noon, on his plea of guilty.

Two other boys under 21 years of
age, one a brother, who were taken by
officers at the time, were not fined.

ACCOUNTANTS
EXAM PROPOSED

Fargo, Oct. 22.—Examination for
degrees of certified public accountants
will be held in Fargo Nov. 15 and 16,
according to an announcement by J. H.
Cull, secretary of the state board of
accountancy. The examination will
be held in the office of the secretary
here.

Today's Weather

For twenty-four hours ending at
noon Oct. 22.
Temperature at 7 A. M. 36
Highest yesterday 41
Lowest yesterday 21
Lowest last night 25
Precipitation None
Highest wind velocity 15-W

Weather Forecast.
For Bismarck and vicinity. Fair
tonight, Sunday unsettled, not much
change in temperature.

For North Dakota. Fair tonight,
slightly colder in the east portion and
warmer in the extreme west portion.
Sunday unsettled.

Weather Conditions.

The low pressure area that was cen-
tral over North Dakota Friday has
advanced to the eastern Lake region
and the western high pressure area
has reached to Dakota. A low pres-
sure covers the Southwest. Light pre-
cipitation has fallen over the Cana-
dian Northwest. But the weather has
continued to cover the states. The
colder over the western section, but
the temperature did not reach freezing
except in western Canada, north-
ern Montana and northwestern North
Dakota.

HERBIS W. ROBERTS

Metropolitan Office in Charge

FORMER AUSTRIAN EMPEROR ENTERS
HUNGARY IN NEW ATTEMPT TO SEIZE
THRONE FROM WHICH HE WAS OUSTEDBANK TAX CASE
IS APPEALED TO
HIGHEST COURT

Commissioner Wallace Takes Tax
Case Involving \$225,000 to
U. S. Supreme Court

ASKS ANOTHER ADVANCED

Wants Supreme Court to Give
Early Hearing in Case In-
volving Capital Tax Stock

An appeal to the supreme court of
the United States has been taken by
Tax Commissioner Wallace in a case
in which national banks of North Da-
kota were victorious in the United
States district and circuit court of
appeals. Notice of the granting of the
appeal was in the hands of the tax
commissioner today.

The legality of the 1919 taxes as-
sessed against national banks is in-
volved, the amount being about \$225,-
000.00.

To two courts in which the case
has been heard held that the bank
stock was subject to greater tax than
was levied by law against other mon-
ied capital in the hands of individuals
and held that bank stock should be
taxed the same as monies and credits,
at 3 mills instead of the local rate of
taxation. The monies and credits tax
is about one-tenth the amount of the
local rate. Taxes for the year 1919
only are involved as the monies and
credits tax law was repealed.

The case, however, is looked upon as
probably establishing a precedent in
a case now pending in federal court
in which the national banks hold that
the repeal law of 1919 exempted bank
stock from taxation. While the tax
involved in both cases is assessed
against the stockholders individually
it usually is paid by the banks.

The tax commissioner has asked the
United States supreme court to ad-
vance the case of John Barton Payne,
as director-general of railroads,
against the tax commissioner, in-
volving the capital stock tax on rail-
roads of 1919. The case was before
the supreme court once and the state
was enjoined from enforcing the tax
collection. The state reassessed the
railroads, using another part of the
state, which had not been in issue.
It now is before the highest court.
The amount involved in this case is
about \$125,000.

The Northern Trust company, of
Fargo, has instituted in the Cass dis-
trict court a suit to recover taxes paid
under protest, to the amount of \$4,-
231.95, on the stock of the company,
alleging that trust company stock was
exempted in the repeal of the 1919
legislation. Three other trust com-
panies are expected to take similar ac-
tion.

Mr. Wallace appears as attorney for
the state in all of these cases.

DISTRICT COURT
IN WARD COUNTY
IS SUSTAINED

The district court of Ward county is
upheld by the supreme court in a de-
cision in the case of John Lynch,
Chief of Police L. M. Byrne, of Minot,
and W. S. Brown against the district
court, John C. Lowe, judge.

The district judge had issued a writ
of certiorari in a case involving an
automobile. The syllabus in the case
says: "When a district judge issues
a writ of certiorari to a police magis-
trate and police officers on a proper
showing which appeals to his discre-
tion, the supreme court will not grant
a writ of prohibition to restrain the
district judge from exercising his ju-
risdiction."

AMERICAN SHIP
OUT OF RACE

Hullfax, N. S., Oct. 22. A private
of Gloucester, had her launch smashed
and carried away today on the fourth
leg of her first race with Bluenose for
the sailing championship of the North
Atlantic.

The accident occurred while Blue-
nose was leading by about 2 minutes
after half of the course had been
covered.

PRAIRIE FIRE
NEAR TUTTLE

Specie of the Tuttle

Tuttle, N. D., Oct. 22. A prairie fire
started today in the Tuttle section
and is spreading rapidly. The fire has
burned over about 100 acres of land
and has destroyed a large stock
burning out two horses and an im-
mense amount of hay and straw. The
probable loss is to the thousands of
dollars.

Vienna Dispatches Say That
Oedenburg Troops Go Over To
Charles and That He Is March-
ing Toward Budapest, Hun-
garian Capital, From Which
Regent Has Fled

Vienna, Oct. 22. (By the Associated
Press.)—Former Emperor Charles of
Austria-Hungary arrived at Oeden-
burg, Burgenland, Friday afternoon
on an airplane from Switzerland, ac-
cording to an Oedenburg message to-
day and is reported to be proceeding
toward Budapest, escorted by Oeden-
burg troops.

The Oedenburg forces immediately
went over to Charles upon his ar-
rival at Oedenburg and he was pro-
claimed king, according to the mes-
sage.

A provisional government, the ad-
vices state, has been formed in Bur-
genland, in the emperor's interest un-
der Count Julius Andrássy, former
Austro-Hungarian foreign minister.
The railways and telephone and
telegraph lines have been cut at the
Hungarian frontier.

The situation in Vienna is tense as
a result of the former ruler's sensa-
tional moves.

It is rumored here that the Czechs
are mobilizing.

The Austrian government announced
this forenoon that all precautions
had been taken to deal with the situa-
tion. The entire police force and the
city guards, including the reserve
were called out, and extra ammunition
was dispatched to the frontier.

Admiral Horthy, the Hungarian re-
gent, is rumored here to have fled
from Budapest this morning, follow-
ing news of the arrival of ex-emperor
Charles in his former domain. Bud-
apest advises state that a legitimate
government has been formed there.

ALLIES PROTEST

Vienna, Oct. 22.—The allied repre-
sentatives in Budapest today made a
joint protest to the Hungarian govern-
ment against the return of former
Emperor Charles to Hungary. It was
learned here today.

WILL BE OPPOSED

Paris, Oct. 22.—The Hungarian
government will act as it did on the
occasion of the previous attempt of
former Emperor Charles to resume
the throne in Hungary, according to
information obtained here today and
will take measures to expel the for-
mer monarch from Bulgarian terri-
tory, it is declared.

Already measures to this end have
been initiated, says Budapest dis-
patch to the Swiss telegram agency,
received here from Bern. The news
of the government's decision not to
permit the ex-emperor to remain in
Hungary came from the official
source in Budapest the message as-
serted.

EX-EMPRESS WITH CHARLES

London, Oct. 22. (By the Associated
Press.)—Former Empress Lilla of
Austria-Hungary is reported in a
Central News dispatch from Vienna
to have arrived at Oedenburg in the
airplane with her husband.

MAN DIES IN
LOCAL HOTEL

Succumbs to Attack Here—Car-
ried an I. W. W. Card

A man believed to be C. M. Scheir,
home unknown, died at the Farmers
and Laborers hotel, on West Main
street, about 11 o'clock last night,
following a hemorrhage.

The man carried an I. W. W. card
and there were a few papers in his
pocket, found by Acting Coroner Beer,
but these did not show his home. A
card showed he had worked in the
shipyards at Philadelphia. Finger-
prints of the dead man will be taken
and sent to Washington, in the hope
that the shipping board officers may
be able to identify him by this
method.

The man registered last Tuesday
at the hotel as Charles Milton. He
had come here from the vicinity of
Van Hook, where he had been work-
ing in the harvest fields. He had been
to a doctor at Van Hook. He told
persons at the hotel that he had some
land in the state of Washington which
he wanted to sell, and that he then
would go to Arizona for his health.
He was 40 years old.

Acting Coroner Beer believed that
the man's correct name, however, was
Scheir. He was about 40 years old.
He probably will be buried here.

REMBRANDT FOR \$125

Nottingham, Eng., Oct. 22. H. B.
Hebert, art dealer, bought a painting
some time ago for \$125. Experts
have declared it to be a genuine Rem-
brandt, worth \$50,000.

BLOW IS DEALT
PROPOSED RAIL
WALKOUT TODAY

600,000 Members of Employees
Department of American
Federation Vote

BEGIN STRIKE IN TEXAS

Workmen on International and
Great Northern Start Walk-
out on Schedule

Chicago, Oct. 22.—The United
States railroad labor board will
take no immediate action if the
trainmen on the International
and Great Northern strike today.
"If they go out today they are
in defiance of the board's order
of yesterday," C. W. Hangar,
member of the board said.

San Antonio, Tex., Oct. 22.—
Two hundred and fifty brakemen
and switchmen of the Interna-
tional and Great Northern rail-
road on the San Antonio division
walked out on noon.

Houston, Tex., Oct. 22.—Armed
guards took up patrol duties at
the International and Great
Northern yards here at noon as
150 trainmen, members of the
brotherhood, abandoned their
work. Switching in the yard was
as a standstill but operating of-
ficials said all passenger train
crews will be maintained, the
place of the strikers being filled
by new men.

Chicago, Oct. 22.—(By Associated
Press.)—One-fourth of the railroad
workers of America—the 600,000 mem-
bers of the Federated Shop Crafts—
today voted on record against a strike
and voted to remain at work pending
a decision of the U. S. labor board on
rules and working conditions.

By their decision they dealt the
most serious blow yet recorded
against the Big Four Brotherhoods
and the switchmen's union which have
ordered a walkout Oct. 30.

The shopcrafts known as the rail-
way employees department of the
American Federation of Labor, is said
to control more railroad workers than
any individual union. Their action
also it declared to bind the American
Federation of Labor against any ac-
tive support of a walkout.

Telegraphers Would Quit.
The Order of Railroad Telegraphers
decided today to join the brotherhood,
and quit work if the strike order be-
comes effective.
There are 80,000 members in the
telegraphers union of whom 75,000
would be affected by a strike, the
other 5,000 being employed on Cana-
dian lines.

The shopcrafts which embrace six
unions affiliated with the American
Federation of Labor, issued a state-
ment declaring

NESTOS WOULD REST HIS CASE ON WOMAN VOTE

Candidate Says He's Willing to Let Them Decide the Election

Grenora, Oct. 22.—H. A. Nestos spoke here last evening after several successful meetings in the Northwestern part of the state. He took up the League challenge that the women voters would decide the election and declared that he was perfectly willing to let the Independent cause rest with them. He said in part:

"The women of North Dakota are going to win this election. They are fresh in politics and have not as the men had their vision clouded by habitual party worship or obedience to political leaders. They have no 'tentative' alliances in politics to contend with. They stand free to choose and they will make up their mind without the premature which years of political strife cannot fail to impair in a larger or smaller degree upon the souls of the men who have taken active part in the battle.

"I read in the newspaper that our opponents expect the gentle hand of the woman voter to save the day for the administration next Friday. I doubt the correctness of that prediction. A woman's hand is gentle only as long as those within its reach have themselves. The hand that rocks the cradle can also throw a rolling pin and it is certainly used to handle a broom and do general house cleaning.

"I am perfectly satisfied to leave the result of this election in the hands of the women voters; nor am I afraid of the men. What we want is a clean-cut decision on the merits of our case. We want every man and woman to go to the polls next Friday and register their opinions with their vote. They are to say whether or not they are satisfied with the way in which the present administration—that is Governor Frazier, Attorney General Lemke and Commissioner Hagan, functioning as the industrial commission—has tended to the business of state."

"COP" WEDS SERGEANT
Stockwell, Eng., Oct. 22.—Police Constable William Lattimore was married to a sergeant of police at St. Michael's church. The sergeant was Mrs. Edith Grant, of the women's police.

REV. HALFYARD, NEW PASTOR, FINDS CITY MUCH IMPROVED

(Continued from Page 1)
his official board in the near future and outline his program for the year.

Regret Departure
The Devils Lake Journal said of Rev. Halfyard:

"Dr. Halfyard has been in Devils Lake for the past four years, and his presence here has been instrumental in bringing the activities of the Methodist church to a high tide. Being a preacher of exceptional gifts and with an erudition that manifested itself in all his utterances, Mr. Halfyard's sermons and public addresses were always welcome to the people of the city. He is a profound student not only of theology but of human nature, and in his work struck successfully to the heart of the matter. Dr. Halfyard has always shown a wholehearted interest in civic affairs, and has always been willing to participate in any movement that worked for the moral betterment of his community.

"Aside from his untiring application to his theological studies and church life, Dr. Halfyard, during this season of the year, found time to participate in the sport of sports, duck hunting, which is one of his hobbies. His departure from Devils Lake will mean a loss to the community which will be keenly felt."

DRESS MAKING NIGHT SCHOOL

As more than 10 members are now enrolled the dressmaking class will begin work in the high school building Tuesday evening, Oct. 25, and continue until spring. Membership is free, hours 7 to 10 p. m., Tuesdays and Thursdays.

J. M. Martin, City Supt.

NEVER WANTS ANYTHING ELSE

The season of coughs, colds, croup and bronchial troubles is at hand. Every mother will be interested in this letter from Mrs. E. K. Olson, 1217 Ohio Ave., Superior, Wis. "I tried many different kinds of cough medicine, but now I never want anything else than Foley's Honey and Tar. I used it for my children when I lived in Iowa and also for my grandchildren in Duluth, and it has always done good work." Contains no opiates. Adv.

Rev. Wm. Schoffstall, Pastor.

FIRST LUTHERAN CHURCH
Seventh street and Avenue D.
Morning service 10:30, in the Swedish language.
Sunday school, 12 noon.
Evening service at 8 o'clock.
Sunday school and evening services are conducted in the English language.
All are cordially invited to attend these services.
—E. F. ALFSON, Pastor.

METHODIST EPISCOPAL CHURCH
S. E. Halfyard, Pastor.
10:30 a. m. public worship. Sermon theme, "Personal Influence."
12:15 noon, Sunday school.
6:30 p. m. Epworth League.
7:30 p. m. public worship. Sermon theme, "The Greatness of Jesus."
Special music will be rendered by the choir at both the morning and evening services. A cordial invitation is given to the public and to visitors to the city to attend these services. The entire services of the day will be made spiritually helpful and uplifting.

BAPTIST CHURCH
10:30 morning worship and sermon. Subject, "The Fall Gospel."
12:30, Sunday school.
7:30, Baptist Young People's Union.
7:30, evening worship and sermon. Lively song service. Cordial invitation to all.
The North Dakota Association will meet with the First Baptist church Thursday and Friday of next week. Several state workers will be present. Dr. Bawden, one of our missionaries from Burma, will be present and speak. The World Wide Guild has prepared a pageant for an evening. A good general program has been prepared. The public is invited.
—L. R. JOHNSON, Pastor.

FIRST PRESBYTERIAN CHURCH
Rev. H. C. Postlethwait, D. D., minister.
Morning worship promptly at 10:30. Theme, "Hidden Treasures." Special music. Present your church letters to the pastor.
Junior Sunday school at 9:30. This is a most efficient department. The attendance has doubled recently. All other departments at 12 noon. All young ladies and others are invited to join the Women's class. Remember the Men's class.
Christian Endeavor at 6:30. Miss Densie Williams, president. An out-of-the-ordinary crowd of young people. Let us keep growing.
Evening worship at 7:30. Good congregational singing of the old hymns led by the chorus choir under the direction of Mrs. D. C. Seaborn. The chorus will sing two beautiful anthems, "The Gospel is the Power of God" (Lorenz) and "The Awakening Chorus" (Gabriel). Great crowds are turning to the churches in these days, why not you? You need worship more than anything else. By coming you will help yourself and others.

Prayer meeting Wednesday evening at 7:30.

EVANGELICAL CHURCH
Pastor, Rev. J. H. Morrison, 1100 12th street, pastor.

tent Divine Service tomorrow. It is a great source of inspiration to both priest and people when the house of God is well filled with worshippers. We want all transients and strangers to feel that at St. George's church they will find a hearty welcome and a real church home.

Calendar for week.
Monday at 7:30 P. M. St. George's Scouts. The new assistant scoutmaster, Mr. Gordon Cox, will organize the basketball team.
Tuesday at 7:00 P. M. The Junior Puns will meet in the parish house. Mr. Richard Hall will be happy to take boys in more tests.
Wednesday, The Episcopal Girl Scouts will meet and arrange for the social which they plan to give to the Senior Scouts. This meeting will be held at 7:30 in the parish house.
Thursday, The Women's Guild will meet in the parish house at 8 o'clock. Fall choir rehearsal at 8 P. M.

Saturday. Basketball games for both Senior and Junior Scouts.
N. B. The Rector of St. George's Church is always ready and willing to visit strangers in our city and also the sick of whatever creed or denomination. Phone 291.

MANUAL TRAINING ABOUT SCHOOL.
As more than ten members are now enrolled the manual training will begin work in the high school building Tuesday evening, Oct. 25, and continue until spring. Membership is free, hours 7 to 10 P. M., Tuesdays and Thursdays.

Social and Personal

Mrs. Budlong Heads Church in Michigan

Of interest to Bismarck people is the following article taken from a Kalamazoo, Michigan, paper.

Mrs. Minnie Clark Budlong, of the congregational meeting of the People's church was unanimously chosen acting minister during the illness of her daughter, Rev. Julia N. Budlong, who is confined to Farmington hospital with infantile paralysis.

Mrs. Budlong is a graduate of the University of Iowa, by special scholarship having won the Phi Beta Kappa key. She has the degree of Master of Library Science from the University of Wisconsin. As the executive head of the state library commission of North Dakota, she did much notable work, particularly in library extension, that she became an intellectual leader all over the state, and was especially looked up to and honored by teachers and club women. At the time of her resignation she was vice president of the National League of Library Commissioners and chairman of the library extension in the General Federation of Women's clubs. She has published a text-book on library science and a volume of "Popular Songs and Fugitive Verse," which won for her membership in the League of American Penwomen.

Mrs. Budlong was a chapter regent of the D. A. R. in Bismarck and was in line for the State regency. She has done much organization work for the D. A. R. in Bismarck and Phi Alpha and other important national societies. She is a woman of education, general culture and achievements which make her the logical leader of the church at once, occupying the pulpit or arranging for pulpit occupy each Sunday.

Chicken Pie Supper is a Real Success

The annual chicken pie supper held at the Presbyterian church last evening was a complete success. About 200 people were served by the ladies in charge; \$140 was cleared. The tables were attractively decorated with cream candles and pink roses. Hal-lou-wen decorations were used in the room.

Card and Dancing Party Will Be Given By Knights of Columbus

The Knights of Columbus will give a card and dancing party in the new

gymnasium of St. Mary's school Friday, Nov. 4. This will be the first time the new gymnasium has been used. Music for the dancing will be furnished by the Little Wonder orchestra. The party will be given for the benefit of the new high school, the proceeds being used to equip the high school building.

Books Are Donated By City Federation

The City Federation of Women's clubs have bought 75 books for the children's room at the public library. These books were bought with the \$100 which was put away for this purpose by the members of the Federation. The books are on biography, travel and history. Other donations will be made by individual clubs.

Miss Lincoln and Harry Hawley Married

Of interest to many North Dakotans is the news of the marriage of Miss Dorothy Herbert Lincoln to Harry Regan Hawley on Wednesday, Oct. 12, in Washington, D. C. The wedding took place at the home of the bride's brother-in-law and sister, Major and Mrs. J. Duncan Elliott.

Mrs. Hawley is the youngest daughter of the late W. H. Lincoln, pioneer settler of Cass county. Miss Lincoln is in Washington at present. Mr. Hawley is a law student at George Washington university. He is a member of the Kappa Sigma fraternity and the son of former Governor Hawley of Idaho.

Mrs. Wilton Crewe and Herbert Lincoln, both residents of Bismarck, are sister and brother of the bride.

FORMER STUDENTS PLEDGED

Among the list of pledges to fraternities at the University of North Dakota are the names of Eugene Kilmer, a graduate of the Bismarck high school, class of 1920, and Jerome Conway a graduate with the class of 1921. Both have been pledged to the Sigma Chi fraternity. Word has been received from Fargo Agricultural College that Philip Boise, a graduate with the class of 1921 has been pledged to the Theta Chi fraternity and that George Holta, a graduate of the class of 1920 has been pledged to the Alpha Kappa Phi. Robert George, a member of last year's class, has been pledged to the Phi Gamma Delta fraternity, at the University of Washington.

VISITORS IN CITY

Among visitors from Burleigh county to Bismarck last evening were: J. A. Davies, of Wang, and Mrs. Erickson, of Wang; A. L. Garness, of Regan; H. C. Edgerton, of Wang; P. P. Bliss, of McKenzie; Martin Olson, of Arena, and Mrs. V. L. Anderson, of Still; Mrs. H. W. Gray, of Wilton; Fred Middlestadt, of Regan; Frank Anderson, of Menoken; Arnold Gerberding, of Regan; H. J. Higgins, of Baldwin; J. C. Poole, of Baldwin.

PARTY AT CLUB ROOMS

A number of young ladies from the Queen and Ramstad clinic entertained a group of friends at the Business and Professional Women's club rooms last evening in honor of Miss Minnie Freese and Miss Frankhauser, who are leaving soon for the west. A pleasant evening was spent playing games and dancing. Refreshments were served.

GIVE SURPRISE PARTY

The members of the Tuesday Bridge club and their husbands surprised Mr. and Mrs. P. R. Fields in their new home last evening. The event was a house warming, this being the first party held in the new Fields home. A pleasant evening was spent playing bridge. Mr. Lundquist won the high score. A three-course lunch was served.

DID YOU EVER STOP TO FIGURE OUT THE ECONOMY OF HOME SEWING?

LET US SHOW YOU
DURING OUR SEMI-ANNUAL

Home Sewing Week

Commencing Monday Morning, Oct. 24th.

HOME SEWING PAYS

Home Sewing is Easy

With Pictorial Review Patterns
Prices are 20c to 35c
None Higher

The simplicity and the up-to-the-minute styles of Pictorial Review Patterns accounts for their immense popularity. Another reason is, that because the present styles takes such small yardage, more and more women are sewing at home and Pictorial Review Patterns are ideal for Home Sewing.

Just figure out how little a dress costs you when it takes only from 2 1/4 to 3 yards of 54 inch material, and other widths in proportion, to make it.

The New Pictorial Review Fashion Book, just out, showing the new styles for Winter of 1921-22, is the

best number we have seen. Price 25c. Be sure and get it.

Everything that is New in DRESS TRIMMINGS

In successful home sewing it is quite necessary to have the proper trimmings to complete the garment. Our stock is exceptionally well selected with idea in view of offering only those things that are new and most in demand. See our showing of the new Tassels, Cords, Beads, and Fringes.

THE STATE'S OLDEST NEWSPAPER
(Established 1873)

WHY WE LIVE

All human devices, with the exception of the wheel, are found in nature. Birds, beasts or fish had them before they were invented by man, says Dr. Lucien Cuentot, famous French biologist, after a lifetime of study.

Cuentot points out that the file, anchor, the rails and grooves of guidance, dovetailing and many manual instruments all have their counterparts in nature, developed before man existed.

The grass-hopper has a torpedo tube for planting its eggs deeply in bark or earth. The cuttle-fish's outer skin is buckled about its throat by a system of snaps such as we use on gloves. Your elbow was the original hinge, your heart the original pump.

Cuentot says that the wheel is our only invention that is not found in nature. Mountaineers might tell him of the hoop-snake, said to put its tail in its mouth and roll downhill.

One of man's first inventions was the net for catching fish. He got his idea from studying a spider's web.

Flexible armor was copied from the scales of a fish.

The early catacomb dwellers probably learned their architecture from the ant. The beaver taught man bridge-building.

All human inventions come from studying and copying nature.

Nature, says Cuentot, is such a perfect inventor that she keeps her inventions ahead of the requirements of life. Thus, when the reptile evolved into a bird, with feathers needed for flying, it was given feathers long before it soared into the air. Nature provides the tools so they will be ready when needed.

This leads scientist Cuentot toward the belief that there is an "intention" back of all creation—something that is denied by the average scientist, who believes that life develops by chance, that its evolution is mechanical and aimless, unguided by a Supreme Intelligence.

This brings us to the question: Why are we here on earth? Why do we live?

As yet, there is no answer. But, the more science investigates, the more it is won over to the theological or spiritual belief that we and all other forms of life are here on earth for a definite purpose. That purpose is preparatory to something later, beyond the grave.

GAS

An 83-year-old New York woman takes a nap. The rubber tube of a gas stove in her room becomes disconnected. The fire goes out. The gas asphyxiates her. New York City has an average of 450 such deaths a year.

Guard against defective rubber tubing if you foolishly use it on a gas heater. With equal vigilance guard against the twin peril—never turn gas up until sure it is lighted.

JOKE

The London Morning Post publishes a letter from a reader, giving what the reader considers the best joke of the year.

Traveling in Scotland, he noticed that talking in barber shops was limited to the few necessary words, such as "You need a little tonic" and "Not today."

"This is remarkable," commented the visitor.

"Aye," explained an old Scot. "They're both thinking hard about the tip."

GERMANY

Germany is the first country to publish full details of the effects of the war on population. The census shows that Germany in October, 1919, had 60,412,084 inhabitants.

On the basis of normal increase in population, Germany would have had an additional 11,013,909 people, had there been no war, says the analysis made in Berlin.

That is Germany's actual war loss. Money losses and indemnity do not count for a great deal, viewed with the perspective of centuries. What really counts is war's death toll—in battle and behind the lines.

INCREMENT

Real estate in the five boroughs of New York City this year is assessed, for taxation, at a total valuation of \$9,947,323,092. It probably rents on a basis of at least twice that much.

Peter Minuit, first Dutch governor-general of New York (then known as New Amsterdam),

bought the entire Manhattan Island, from the Indians, for beads and other trinkets of barter worth \$24.

The land hasn't changed. But compare the value. That shows you what toiling humanity does to increase the landlord's wealth.

MOVIES

There are about 12,000 moving picture theaters in the world, according to latest reports.

More important: Nearly half of them are in the United States.

This is another indication that our standard of living is the best in the world. The proof is, that we have the most money for amusement. Might be better off if, in our spare time, we occasionally had to sit and think.

K. K. K.

Russell K. Trimble, king klegale of the Ku Klux Klan in southern New Jersey, gets orders from the wizard's palace in Atlanta, forbidding use of regalia outside lodge rooms.

The best way to curb the K. K. K. or any organization of night riders would be to make the wearing of masks illegal.

Few people have the courage to defy the law, or take it into their own hands, unless they have a mask to hide behind.

BOUNDARIES

Honduras, Guatemala and Salvador cease to exist in their old governmental form. They merge into the Central American Federation, governed by a provisional federal council, much as our states are amalgamated into the United States.

As time goes on, other international boundaries will disappear. The world will be united into one country, a United States of the World. That is the sure way to end war. You and I will not live to see it.

RELIGION

The religion of prehistoric man was, on general lines, not much different from that of civilized man of today, says Professor Mainage, lecturer of the French Catholic Institute, Paris.

The difference is largely in expression and in ability to conceive the tremendous power of the God behind all creation.

When man first grasped the idea of a God, he emerged from the animal state. When he casts it off, he reverts to the animal order, in morals—which are the foundations of all civilization.

MOTHERS

The Second International Congress of Working Women opens at Geneva, Switzerland. Delegates attend from 48 countries. The big talk, at the convention opens, is about war and how to prevent it.

That is a problem that is up to women. Politicians will never end war.

The only way to stamp out war is to kill the war spirit in human beings. The place to kill it is in the cradle, by what mothers drill into the minds of their children. The cause of war is in the brain. Kill the seed before it sprouts.

END

Destroying an old building in Diamond street, Pittsburg, a workman finds \$4000 in old bank notes. On the back of one is a note indicating that the owner of the roll has dissipated a large fortune.

Why did the man, who had gone through a fortune, take his last \$4000, hide it and desert it? There is a mystery for your Sherlock Holmes, Monsieur Lecoq or Inspector Fanrot.

Would you, falling from wealth to poverty, throw away your last dollar? Hardly—unless you realized that money had ruined you, deprived you of the finer things of life.

EDITORIAL REVIEW

Comments reproduced in this column may or may not express the opinion of The Tribune. They are presented here in order that our readers may have both sides of important issues which are being discussed in the press of the day.

GOLD MINING

Those who have not followed the trend of mining operations in recent years may be startled to learn, upon competent authority, that in a large number of plants it is no longer found profitable to mine gold.

The government has fixed the price of gold at \$20.67 per ounce. But the actual value of gold is dependent, of course, on what it will buy, and for the five years 1914-1919 the purchasing power of an ounce of gold has averaged but \$13.85. While this condition obtains the quest of the precious metal is not sufficient to remunerative. Whereas in 1915 the value of the gold mined in this country was over \$107,000,000, the report of the Geological Survey for the first six months of 1921 indicates that less than half this sum will be the value of the output for the current year.

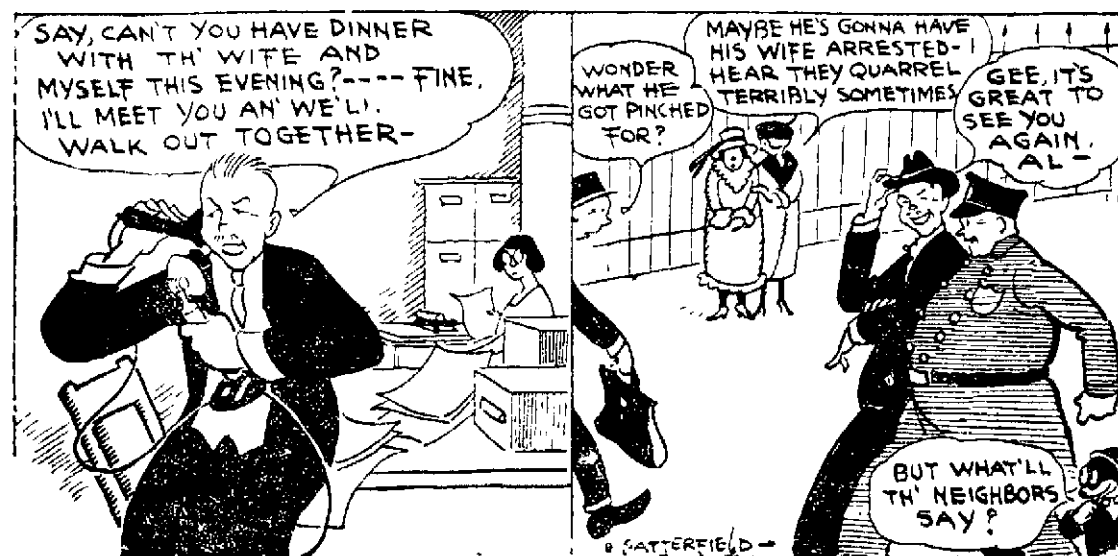

While the mines stand idle there are floods in the workings and galleries and serious deterioration of the plant above as well as below the surface. Many of them may never be reopened.

Any assistance that congress or any other group or body can give toward the restoration of the purchasing power of the gold ounce is important. It affects not merely the gold mines but, more important than mines and miners, it affects the stability of national finances and the maintenance of our credit at home and abroad.—Philadelphia Public Ledger.

GOVERNMENT INCREASES EFFORTS AGAINST VENERAL DISEASE IN N. D.

In the general upheaval and over turning of the civil and social forces of civilization, characterized by murders, assaults, robberies and general contempt for law and order, which is accepted as the natural aftermath of the catalysis of war, diseases spread by vice have had a large share, says Dr. F. H. Smith, of the U. S. Public Health Service.

"A vigorous campaign has been waged by Federal and State officials for the control and suppression of venereal disease—the most obnoxious and dangerous of all contagious diseases. The detection, isolation and treatment of persons infected with a venereal disease are usually matters for State, County or City action. The Federal Government has, in the power to control contagious diseases in the states. It has, however, authority to regulate traffic between the states. Under this authority, the Secretary of the Treasury, his promulgated regulations prohibiting venereally diseased persons traveling from one state to another, without a permit, or writing, from a health officer.

"On April 18th, 1921, the attorney general of the United States, sent a letter to all United States Attorneys advising them of the law and regulations, and concluding:

"The Public Health Service, co-

operating with State Boards of Health is striving to reduce the spread of venereal diseases. You are requested to give your full cooperation by prosecuting vigorously proper cases presented to you for action.

"It has become a serious problem in some of our communities how best to handle the venereal and criminal class who, to avoid control in other states, migrate into North Dakota and leave a trail of venereal disease wherever they go.

"Prostitutes and those who associate with them, who are venereally diseased must be taught that serious punishment awaits them if they infect others with these diseases. It should become generally known among this class that travel from one state to another, while they are venereally diseased, will lead to arrest by Federal authorities and severe punishment, if convicted, it will in the them to seek voluntary treatment.

"Local, city and county health officers have been instructed how to proceed against violators of the regulations controlling interstate travel of venereally diseased persons.

"Citizens interested can also communicate with the Medical Officer in Charge, U. S. Public Health Service, Room 360 Federal Building, Bismarck, N. D."

A PARTING

BERTON BRALEY

In summer weather
We've been together,
I wonder whether
We'll meet once more;
We've gone the paces
At mountain places
And stony spaces
Along the shore
When moonlight shimmered
And bright eyes glimmered
And my heart shimmered
With lances rare,
When roguish glances
Besought advances
And brought romances—
Well, you were there.
On city highways
And country byways
Your ways were my ways
And you held true;
By you attended
My days were splendid
But summer's ended,
Goodby to you!
And shall we sever
Perhaps forever?
No, I'll endeavor
To sidestep that;
I'll block and clean you
And on my bean you
Shall sit next summer
As you have sat;
And those who've seen you
Will gaze thereat
And say "A hummer!"
For when I show you
They'll never know you.
My old straw hat!

BIG TEN FANS ARE WATCHING CHICAGO GAME

Western Team Hooks Up With Princeton University on Gridiron

Chicago, Oct. 22.—While Big Ten fans are looking toward the east today for the result of the Chicago-Princeton game, a contest of major importance in the Big Ten conference was scheduled for Ann Arbor, Mich.

Ohio State went there to meet the Michigan Wolverines.

Coach Zuppke at Illinois, has made some bad changes in his lineup and the defeat by Iowa last week and hopes for a different opinion in the game with Wisconsin at Urbana, today.

Iowa plays at Minneapolis today, taking on the Gophers and the chances of the two eleven's looked about even. Coaches of both teams were pessimistic, declaring their teams consisted of "a bunch of coppers."

Only in the conference game of most interest in the west today is at Notre Dame where Nebraska has gone in an effort to repeat the performance of Iowa by beating the Indians.

Three of the Big Ten teams are idle today. They are Iowa, Northwestern and Purdue.

STAGG DEAN OF COLLEGE COACHES

Chicago, Oct. 22.—(By the Associated Press.) It is 29 odd years from the days that Coach Amos Alonzo Stagg played football against Princeton until today when he sends his "University of Chicago" eleven against the old rivals. The intervening years have made him the best of the best coach in the country, in all the time his first and only in the gridiron has been to "make men."

"With the right sort of coaching you can make men faster on the foot, ball field than in any other sport," said Coach Stagg in looking back over his three decades of coaching just before taking his team east.

"Football is a glorious game. It calls for the highest in courage and sacrifice, for the good of the school and to win. It is a vigorous game and in certain sense it is to the glory of football that men will play the game in spite of injuries that quite often do come."

"One of the chief developments of the past 30 years is a recognition of the worth of football and of athletics. The war also has helped to make people see that they are worth while in developing our boys physically, mentally and morally."

"But all coaches have greatly improved in ideals. There are many more of them today who see the real value of the sport. Some still are to be found who reverse its benefits by trying to win at any cost—who play the game crookedly, who set false ideals before their players, who encourage foul tactics and bad sportsmanship."

"We shall never get the best grade of coaches, in my judgment, until the coach is made a member of the faculty. He needs to be set above the necessity of immediate winning of games. He needs to have the ideals of an educator. He should not have his job depend solely on winning teams. I think this has been the cause of much of the poor tactics some coaches have employed."

Coach Stagg, himself strikingly illustrates the revolution that has taken place in the coach's position in the college world, for he was the first coach to be made a member of the faculty of his institution. When he was invited to come to the University of Chicago at its opening in the fall of 1892, he was made, at his own request, head of its department of physical culture and athletics. Up to that time college athletics were entirely separate from physical education and the University of Chicago was the first college to combine the two under a department. This department also took over the management and coaching of the university's athletic teams. Until then all collegiate sports had been managed and controlled by the students.

Stagg was Yale's great pitching star from 1886 to 1890, the winner of five baseball championships. He was also selected on Camp's All-American football team of 1898. Entering the Springfield, Mass., Y. M. C. A. college in the autumn of 1899, he really started his coaching there.

The college had never before had a football team and Stagg started to build one, succeeding so well that at the end of the season it was able to schedule games with Yale and Harvard for the next year. He played football there those two years, and also organized the college's first baseball team.

This makes Stagg's dual coaching record 22 years long, and in continuous service. This year marks his 30th in the season of the University of Chicago, a record unique in length and continuity at the same institution.

INTEREST CENTERS ON EASTERN GAMES

Football, as played in the Eastern half of the United States had an especial interest to its followers in the middle West. Saturday, October 15, for some reason, a number of Eastern football teams scheduled games with the teams of small middle western colleges. Friends of Western football expressed fear at the time the schedules were announced that the results of these games would be used to prove that the East was much better than the West in football.

Three such games were played Saturday. Cornell University, including in the first third day for that school for many a day, beat Western Reserve 110 to 0. The Army defeated Wake Forest a little bit worse than the Navy defeated Princeton University.

5 ALL-AMERICANS ON STALEYS

"CHICK" HARLEY ALL-AMERICAN HALF BACK FOR THREE YEARS—NOW WITH DECATUR PROS.

STINCHCOMB ALL-AMERICAN LAST YEAR AND HARLEY'S RUNNING MATE

FIVE ALL-AMERICAN PLAYERS ARE WITH THE DECATUR GRIDDERS

(By Roy Grove)

Starting out with five All-American stars, Coach George Halas, former Illinois all-around athlete and Great Lakes star of service days, landed two of the most sought for college gridirers in the country in the persons of "Chick" Harley and Pete Stinchcomb, All-American men from Ohio State, the former being selected for the mythical eleven for three years.

Harley and Stinchcomb are playing in the backfield for the Staleys and with Dutch Steraman, former Illinois hero, and Kenneth Huffine, the old Purdue battering ram at full, form a great offensive.

Ralph Scott of Wisconsin, selected of West Virginia defeated Ohio University 7 to 0 in a game between teams of supposedly equal rank, university of Detroit defeated West Virginia Wesleyan, 55 to 0.

While the three defeated teams have not defied their position in the Middle Western sun this year, with the possible exception of Wabash, the record made by each one last year is not impressive. Western Reserve, playing a full schedule of the smaller Ohio schools, ten games in all won its first and last game, Ohio University, one of the three schools of the Buckeye Commonwealth, defeated Bethany, Marshall, Otterbein and Agnon and lost to Cincinnati, Denison and Heidelberg. Wabash won from Transylvania, Rose Poly and Kalamazoo Normal and lost to Marquette, De Pauw, Purdue and Chicago. The score of the latter game was 41 to 0.

Of the mid-western college meeting Eastern teams this year, Ohio University achieved the largest amount of travel, having already met Syracuse and West Virginia and being scheduled to meet Columbia. Western Reserve was at Ithaca Saturday and is scheduled to meet the Navy. Other games to be played this year between the Middle West and the East include the meetings of Chicago and Princeton, Detroit University and Boston College, Nebraska and Pittsburgh and the games of Notre Dame against the Army and Rutgers.

Incidentally, the Middle West was well represented in the victory of the Navy over Princeton, a victory in which Princeton was held with out making a first down, one of the few times in the fifty years of play at Old Nassau that the Tiger has had this experience. Four of the Navy players who accomplished this are from the Middle West.

While this is a year of the most unexpected football upsets, an anywhere near form, Western teams should not be outclassed in more than two of the remaining intercollegiate games, while in at least two instances, the small college teams have shown themselves a good match for the great or near great of the East.

WILLARD WILL MEET DEMPSEY

New York, Oct. 22.—Jess Willard will attempt to regain the world's heavyweight championship at Jersey City next July 1, Tex Rickard, promoter, said today.

Rickard returning from Chicago, where he conferred with Jack Kearns, Dempsey's manager, said he had verbal agreement with both Dempsey and Willard for the bout and added he had sent Willard a contract. As soon as Willard's contract is received Rickard expects to sign Dempsey.

HALF TEAM IS HELD INELIGIBLE

Fargo, Oct. 22.—With nearly half of his first string crew declared ineligible by faculty ruling, Coach "Liz" Bismarck of the Moorhead Teachers' college was yesterday forced to cancel his game with Jamestown college. The stiff ruling of the faculty followed a preliminary announcement made some time ago that scholastic standing was to be considered before football ability at the Teachers' college.

WITH BOWLERS

The Barkers took three straight last night from the Bank of North Dakota howlers, taking the first game by 10 pins, and the set by 309.

Sample of the Barkers rolled high total, 118, topping Kontos of the same team by two pins. Kontos, sub for Heasley in the second game took high single of the day, 212, while Green of the Bank of North Dakota rolled high single and triple for his team.

MANDAN NOTES

ROMER WINS IN MANDAN FIGHT

Is Elected City Commissioner Over M. C. Heinsohn

Nels H. Romer, hotel man, was victor over M. C. Heinsohn, N. P. engineer, in a closely contested city election here yesterday by a majority of 142 votes.

The largest vote in the history of city elections in Mandan was recorded, 1,733. Romer got 830 and Heinsohn 688.

Heinsohn had been endorsed by the central labor union, and received support of many Nonpartisans.

While the vote may be partially considered as an indication of possible strength to be shown by the league in the recall election Friday, it is pointed out in Mandan that Heinsohn received a great number of votes from persons who are opposed to paying improvements for which Romer was pledged. If the vote is any indication of Non-partisan strength in Mandan it shows a decided gain.

Mandan high school's football team is playing the Dickinson high school team at Mandan this afternoon. The Monday and play the state training Dickinson team will remain over until school team.
